**BALANCE DELEGATED BY TOP TECHNOLOGY**

mexanfinace.com is a bridge that meticulously mediate between each loan placed by the members and our growing list of borrowers. A strong emphasis was placed on lender's positive experience with platform interface & intuitive navigation when executing all sorts of transactions. There is a balance of financial forces that we at mexanfinace.com must seamlessly contemplate in the background to sustain a stable high-yielding crowd funding system. We can achieve that by limiting loan principal withdrawals to 34% only after day #22 and by Capitaalex automated distribution of partners returns (borrowers) based on loan dates.

**The endless nature of our loan plan is a tribute to the never-ending passion for innovation, creativity and technological advancement.**

OUR COMPANY

 **CREATING A WORLD PROFITABLE INVESTMENT MARKET**

[English Presentation](#)

Russian Presentation

Mexan Finance is a technology platform that connects advisors and investors to the best alternative investment managers. Today many real estate and alternative investment managers are limited to raising capital locally. However with Mexan Finance, these managers can now raise capital globally through our platform's connectivity with institutional and intermediary channels. Our firm's growing client list includes some of the world's most respected alternative investment managers that are using our technology to increase

## About Us

*Who we are & our mission*

## WHY US

*We are a global leader in real estate investing. We seek to utilize our global expertise and presence to generate attractive returns for our investors in any environment, and to make a positive impact on the communities in which we invest.*

*We invest thematically in high-quality assets, focusing where we see outsized growth potential driven by global economic and demographic trends.*

## Our Mission & Work Process

WHAT WE DO

## Conviction

Our vast portfolio provides us with proprietary information across every major real estate asset class in virtually every major market around the world, allowing us to identify themes and invest capital with conviction.

## Connectivity

Our people are our advantage. Our team of nearly 600 real estate professionals across 9 offices operates as one globally integrated business, allowing us to identify the opportunities and limits of each potential transaction through one investment review process.

## Scale

Scale is one of our greatest strengths. The breadth of our existing portfolio gives us differentiated perspectives across sectors and geographies, while our significant discretionary capital base enables us to execute large and complex transactions.

## INTERNATIONAL INVESTMENT HOLDING COMPANY

### LEARN MORE

mexanfinace.com has developed a structure for a commercial real estate-backed digital asset security exchange that can be domiciled in virtually any country. This decentralized exchange (RayXchange) is intended to serve as a trading platform designed specifically for these digital securities that connects global investors with local real estate operators on a single-asset investment basis. The exchange will enable investors to move from top down portfolio-based strategies towards direct

## TEAMMATES PASSION AND DEDICATION

We are grateful to have such a dedicated and passionate teammates, we believe that it's crucial to maintain long and smooth flow under variant conditions. Specially more so in a technology influential industry, (such as: 'Fintech'), in our view dedication is the binding ingredient required to formulate a great success.

performance based strategies towards direct investment opportunities and personalized lot sizes. The project aims to digitize the entire real estate investment value chain so all workstreams are transparent, efficient and cost-saving.

## **OUR MISSION**

Our mission serves as touchstones, helping us define who we are and what we do as an organization. Here at [mexanfinace.com](https://mexanfinace.com) we endeavor to help our patrons accomplish their dream of attaining financial freedom with the expert knowledge we've acquired through years of experience in Crypto Industry. Our primary goal is to show how joyful and easily accessible crypto investing can be with a trusted enterprise by your side.

# OUR ADVANTAGES

Cryptocurrency brings nice income if you deal with it wisely. This e-money isn't issued by the banks, isn't regulated by the government, isn't given as a loan. All the operations are processed only in digital form, and everyone can generate cryptocurrency, or mine. No world factor can influence the development of this technology. There are just economical laws, demand and offer.
